

WFUMC Trunk or Treat 2021

Trunk Decorating Information

Thank you so much for signing up to decorate your trunk and for helping bring joy to others during our Trunk or Treat Family Fun Event! Please read below for instructions...

1. When you arrive on campus to set up, please drive to the “Gazebo” parking lot.
2. We will print numbers for each trunk. Please have a place where you can display that number somewhere in your decorating where it is visible for people to see as they walk by. This number is how people will vote for their favorite trunks.
3. **Set up of trunks will begin at 12:00pm. Trunks should be all set up by 2:45pm.** The event runs from 3-5pm
4. This year is a bit different than in the past in that kids will be allowed to go trunk or treating at any time between 3-5pm. This allows for kids to be more spaced out for social distancing. In the past we waited until a specific time then everyone went at once and it was very crowded. We are trying to avoid large crowds.
5. When kids come to the Trunk or Treating area they will receive a hand stamp that allows them one time through to collect candy. This prevents kids from going around multiple times and people running out of candy before everyone gets a turn.
6. Please, nothing too gory or scary.
7. This year someone will need to remain with your vehicle for the duration of the event, 3-5pm to pass out candy to each child. *If you would like to decorate a trunk, but can't stay to pass out candy, please let us know and we can recruit someone to assist you.
8. **Trunk Decorating Contest** – This year we will have the public vote for the best trunks via Facebook again, as this worked well last year. We will post a picture of each trunk by 3pm and voting will be based on the number of “likes” per photo. Voting will remain open until 7pm, and winners will be announced by 7:30pm.
9. Prizes will be awarded for top 3 trunks, as well as best Christian theme!

Questions? Please contact Denelle Manley at dmanley@wakeforestumc.org.
